ASK FATHER JAMES:

Jesus: The New Temple

We are gradually coming to the end of the 2022 liturgical year. Next Sunday is the Solemnity of the feast of Christ the King. In that feast, we celebrate how the Body and Blood of Christ replace the Old Testament temple (corpus Christi). The Jerusalem temple was one of the wonders of the world and was many, many times larger than any building in Israel. People trooped there because they believed God lives in the holy of holies. They offered sacrifices in there and it was the symbol of national spirituality and pride. It was immense and glorious, a tremendous.

In our text for this Sunday's liturgy, "Some of his disciples were remarking about how the temple was adorned with beautiful stones and with gifts dedicated to God. But Jesus said, 'As for what you see here, the time will come when not one stone will be left on another; every one of them will be thrown down.'" (Luke 21:5-6). Jesus comes to replace the temple. He is the new temple - the Body and Blood of Christ is the way to worship God in spirit and in truth. As we prepare to celebrate corpus Christi, let us not be like the people who struggled to accept Jesus. They told Pilate, "Let him be crucified!" and while he was on the cross, the people taunted him, saying he said, he would destroy the temple and build another one in three days (Mark 15:29-32). Persecution against Jesus and the church is still ongoing. Jesus tells us in today's text to endure till the end.

STEWARDSHIP CORNER

33rd Sunday in Ordinary Time

"...Rather, we wanted to present ourselves as a model for you, so that you might imitate us."

Thessalonians 3:9

Most people who live a grateful and generous lifestyle don't go around bragging about it. But through their words and actions, others do take notice. They notice because of the joy and peace that results and others desire this in their own life. Know that the way you live your life may be the only interaction others may have with our Catholic faith.

Reflection

In the ravages of wars and global crises, it might be tempting to ask the question of whether the end times are happening. As a people of faith, we believe in the second coming of Christ, but until he comes again, what should we do? That is the question posed to Jesus in the Gospel. But Jesus instructs that many people will say the end is coming, but we should be firm in our conviction that to be a people of faith means to be trusting that Jesus knows what he is doing. We encounter this trusting relationship in our parishes. When we gather for Mass, we listen to the scriptures, encounter and wrestle with the tensions of our lives, and then something miraculous happens: Christ comes to us! When we receive the Eucharist, our souls are nourished, and Christ supports us in our lives until he comes again to the entire world. Your support to the Annual Appeal directly helps parish ministries and the education of clergy and lay people. Please continue to be generous so that our parishes receive the resources and personnel to effectively spread the Good News and support our communities.
