## ASK FATHER JAMES:

### Why do the Magi go to Herod? Why didn't the star lead them directly to Jesus?

Today we celebrate the feast of the Epiphany. The word epiphany itself means God's revelation of Jesus as divine to the world. The Magi visit to Herod was God's way to reveal Jesus, son of God to the whole world. First, God raised a star in the East, depicting different parts of Asia, Africa, or Europe given that Jerusalem can be seen to be at the intersection of these three great continents. Second, Herod assembled all people of Jerusalem, with the chief priests and scribes and inquired of them where Christ was to be born? This too is revelation to all people that he has been born. The star then led them to Bethlehem where they worshipped the newborn son of God. There is no indication that the Magi paid Herod homage. Instead, their reverence, homage and worship with gifts were reserved for this child, the one they had been seeking, the one the world had been waiting for. They recognized him... The lesson of Epiphany is that we too should do same. They are called "wise" because they teach us the religiously wise thing to do to Jesus.

*Do you have a faith question? Email Father James: [frjames@sasktel.net](mailto:frjames@sasktel.net)*

### STEWARDSHIP CORNER

#### Epiphany of the Lord

*"Then they opened their treasures and offered him gifts of gold, frankincense, and myrrh."*

*Matthew 2:11*

The image of the Magi kneeling before the infant Jesus and opening their treasure chests for Him is an image that we should all try to follow each day. In gratitude for all that we have been given, we are called to generously share all of our gifts, not just the ones we pick and choose. God wants us to be generous with everything, but especially that one thing that means the most to you.

Scripture Study Mondays at 10 am.  
Attend in person at 1309 Dover Ave or by telephone conference.
