### Week 3 – February 28th - Share Lent Pilgrimage – Building community in Indonesia

The 3rd week of our pilgrimage finds us in Indonesia. The word kampung has come to mean 'slum' in the local language, but its original definition is 'community.' Your support for Share Lent means that Try Mopurto, who lives in a kampung, has been able to renovate his home for his family, despite suffering from mental illness. The community is coming together to support him and his family. "My home is my heaven," he says, "because here we feel the meaning of brotherhood in the social life of the kampung."

*"I was a stranger and you welcomed me."*

Unfortunately, many people in Canada and all around the world do not have a place to live. Providing a home also means giving them a place to belong. For example, this could mean visiting with someone who is lonely, or sitting by someone alone at lunch. Consider making a donation equal to something you might give to someone who is moving to a new home or country, or a donation equal to a gift you might give to a new baby.
