Santa Maria is looking for hearts to fill!

Does your life need a project that helps fill your heart? Are you searching for a meaningful way to spend an hour or two a week? Would you like to volunteer and help support your community? Do you value smiles, laughter, teas and chats?

The residents of Santa Maria Senior Citizens Home could use your support. No one should have to age alone. We want to ensure that everyone has a friend to count on for visits.

We are actively recruiting for both our Recreation program and our Spiritual Care visiting program. These programs directly support the residents who live here. If you are kind, patient, and dependable, we could use your help.

Your time will have a heartfelt impact and with as little as one hour a week or 4 hours a month, you can be proud and know you have made a difference!

Connect today for more information and to talk about opportunities.
