WISDOM FROM THE SAINTS

“Those who are truly humble within themselves will never find their tongues betraying them.”

- St. John Climacus

STEWARDSHIP CORNER

March 29, 2026

Palm Sunday of the Passion of the Lord

“As they were marching out, they came upon a man of Cyrene, Simon by name; this man they pressed into service to carry his cross.”

MATTHEW 27:32

The Lord calls us to love God and to love our neighbor. Every day we are presented with opportunities to love our neighbor and help him “carry his cross.” These opportunities aren’t usually big events, they are usually ordinary occurrences like helping someone carry their groceries or holding the door open for them. The key is putting the other person’s needs before our own and not expecting anything in return.

Pontifical Collection for the Church in the Holy Land on Good Friday, April 3, 2026

The Good Friday Collection helps to maintain the Church of the Holy Land by providing educational, pastoral, and social support of Catholic youth and families committed to living their faith in the land where Christ lived, and by maintaining the Holy Sites that are so important to the faith of Christians everywhere. At the request of the Holy See, this Pontifical Collection will be taken during the Good Friday celebration on April 3, 2026. Those who are unable to attend the liturgy, or who prefer to contribute online, may use Credit Cards, Interac, or Canadahelps, access at: www.commissariat.ca, in the "Support Us" link.

DONATIONS FOR EASTER FLOWERS

If you would like to contribute to decorate the church with beautiful flowers for Easter in memory of or honouring a loved one, please use the "Donations for Easter Flowers" envelope found in the information desk

**THANK YOU FOR YOUR

bulletin during the
Easter Season.*

Why are the statues and Cross Veiled?

First of all, we use veils to alert us of the **special time** that we are in. When we walk into church and notice everything is covered, we immediately know that something is different. This last week of Lent is meant to be a time of immediate preparation for the Sacred Triduum and these veils are a forceful reminder to get ready.

Secondly, the veils focus our **attention on the words** being said at Mass. When we listen to the Passion narrative, our senses are allowed to focus on the striking words from the Gospel and truly enter into the scene.

Third, the Church uses veils to produce a heightened sense of **anticipation for Easter Sunday**. This is further actualized when you attend daily Mass and see the veils. You don't want them to be there because they are hiding some very beautiful images.

And therein lies the whole point: the veils are not meant to be there forever. The images need to be unveiled; it is unnatural for them to be covered.

The unveiling before the Easter Vigil is a great reminder of our own life on earth. **We live in a "veiled" world, in exile from our true home. It is only through our own death that the veil is lifted** and we are finally able to see the beauty of everything in our lives.
