***“DO YOUR BEST - THEN LEAVE THE REST TO GOD”***  
 - ST. ANDRE BESSETTE

**STEWARDSHIP CORNER**  
 February 15, 2026: 6th Sunday in Ordinary Time  
*“For I tell you, unless your righteousness exceeds that of the scribes and Pharisees, you will never enter the kingdom of heaven.”*  
 MATTHEW 5:20

The Pharisees lived according to the letter of the law, and they used this to elevate themselves above the other people. Jesus is clear – it’s the love that you have in your heart, for God and others, that will get you to heaven. Simply following church rules to the letter and not out of love, does not necessarily put you on the path to heaven. Attending Sunday Mass and then gossiping about a fellow parishioner on the parking lot is an example of being a modern-day Pharisee.

**NEW SCHEDULES FOR WEEKLY COLLECTOR AND ROSARY SCHEDULE**  
 New 2026 schedules are available for all the people who are helping in these two areas. Please pick them up at the back of the Church.

## **Who is Saint Valentine ? (Taken from Catholic Answers)**

**In the early martyrologies, three different St. Valentines are mentioned, all sharing February 14th for a feast day. Unfortunately, the historical record is sparse. The first St. Valentine was a priest and physician in Rome. He along with St. Marius and his family comforted the martyrs during the persecution of Emperor Claudius II, the Goth. Eventually, St. Valentine was also arrested, condemned to death for his faith, beaten with clubs, and finally beheaded on February 14, AD 270. He was buried on the Flaminian Way. Later, Pope Julius I (333-356) built a basilica at the site which preserved St. Valentine's tomb. Archeological digs in the 1500s and 1800s have found evidence of the tomb of St. Valentine. However, in the thirteenth century, his relics were transferred to the Church of Saint Praxedes near the Basilica of St. Mary Major, where they remain today. Also, a small church was built near the Flaminian Gate of Rome which is now known as the Porta del Popolo but was called in the 12th century "the Gate of St. Valentine," as noted by the early British historian William Somerset (also known as William of Malmesbury, d. 1143), who ranks after St. Bede in authority.**

**The second St. Valentine was the Bishop of Interamna (now Terni, located about 60 miles from Rome). Under the orders of Prefect Placidus, he too was arrested, scourged, and decapitated, again suffering persecution during the time of Emperor Claudius II.**

**The third St. Valentine suffered martyrdom in Africa with several companions. However, nothing further is known about this saint. In all, these men, each named St. Valentine, showed heroic love for the Lord and His Church.**

**While it seems that the exchange of "valentines" is more the result of secular custom rather than the memory of St. Valentine, and that the celebration has been further paganized with cupids and the like, there is a Christian message that should be remembered. The love of our Lord, depicted beautifully in the image of His most Sacred Heart, is a sacrificial, self-less, and unconditional love. Such is the love that each Christian is called to express in his own life, for God and neighbor. Clearly, St. Valentine—no matter which one—showed such a love, bearing witness to the faith in his dedication as a priest and in the offering of his own life in martyrdom. On this Valentine's day, looking to the example of this great saint, each person should offer again his love to the Lord, for only by doing so can he properly love those who are entrusted to his care and any other neighbor. Each person should again pledge his love to those loved ones, praying for their intentions, promising fidelity to them, and thanking them for their love in return. Never forget Jesus said, "This is My commandment: love one another as I have loved you. There is no greater love than this: to lay down one's life for one's friends" (John 15:12-13). St. Valentine fulfilled this command, and may we do the same.**
